

This is a partial list of **charitable organizations** that provide limited funding for veterinary care (subject to approval.) This is far from a complete list, but we hope it gets you started. To find more organizations do an Internet search for "veterinary financial assistance."

Expect grant-based awards to be lower, and assistance more limited than usual, due to COVID-19.

NATIONAL ORGANIZATIONS

Brown Dog Foundation <http://www.browndogfoundation.org/>
